# A gender performance indicator for irrigation: Concepts, tools, and applications

|

**Author(s)**

van Koppen, Barbara

**Description / Abstract**

This report presents the underlying concepts of the Gender Performance Indicator for Irrigation (GPII) and methodological guidelines for its application. In addition, salient findings of selected applications of the GPII in Asia and Africa are presented to highlight how the tool captures policy-relevant variation.

**Publication year**

2002

**Publisher**

Integrated Water Management Institute - IWMI

**Thematic Tagging**

Gender Ecosystems/Nature-based solutions
